WHO IT'S FOR

One platform, every role in the vivarium

**Research teams**

Technicians & principal investigators

- ✓ One living record per animal, no reconciling three files every Friday
- ✓ Litters, weanings and due dates surface before they slip
- ✓ The day's tasks assigned, so everyone knows who does what
- ✓ Every vet case documented as it happens, ready for the annual report

**Organizations**

Facility managers & multi-team institutions

- ✓ Census, welfare and capacity across every lab at a glance
- ✓ Rooms, equipment and staff booked by every team, without double-booking
- ✓ External client work tracked and billed: cages, equipment, staff time
- ✓ Per-diems billed automatically, audit trail always inspection-ready

EVERYTHING YOUR COLONY RUNS ON

**Animals & cages**

One record per animal. Every cage, rack and room at a glance.

**Breeding & pedigrees**

Pairings, litters, weaning and full lineage, with reminders.

**Health & clinical**

Cases, surgery and necropsy, documented as they happen.

**Tasks & calendar**

The day's work assigned. Due dates surface on time.

**Compliance**

Every change attributed and dated. Annual reports in a click.

**Per-diem billing**

Cage-days tallied as cages fill and empty. Invoices at month-end.
